JZR GOLD INC. ANNOUNCES PRIVATE PLACEMENT OFFERING OF UNITS TO RAISE UP TO \$1,000,000

Vancouver, British Columbia, Canada – JZR Gold Inc. (TSXV: JZR) (the “**Company**” or “**JZR**”) is pleased to announce that it intends to undertake a non-brokered private placement offering (the “**Offering**”) of up to 4,000,000 units (each, a “**Unit**”) at a price of \$0.25 per Unit, to raise aggregate gross proceeds of up to \$1,000,000. Each Unit will be comprised of one common share (each, a “**Share**”) and one share purchase warrant (each, a “**Warrant**”). Each Warrant will entitle the holder to acquire one additional common share (each, a “**Warrant Share**”) of the Company at an exercise price of \$0.35 per Warrant Share for a period of two (2) years after the closing of the Offering.

The Units will be offered pursuant to available prospectus exemptions set out under applicable securities laws and instruments, including National Instrument 45-106 – *Prospectus Exemptions*.

The Offering may close in one or more tranches, as subscriptions are received. The Units, Shares, Warrants and any Shares issued upon the exercise of the Warrants will be subject to a hold period of four months and one day from the date of issuance. Closing of the Offering, which is expected to occur on or about July 10, 2026, will be subject to satisfaction of certain conditions, including, but not limited to, the receipt of all necessary regulatory and other approvals, including approval by the TSX Venture Exchange.

The Company intends to use the net proceeds from the Offering to fund operations of the fully constructed 800 tonne-per-day gravimetric mill, and for general working capital purposes.

Forward-Looking Information

This press release contains certain “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information in this press release includes all statements that are not historical facts, including, without limitation, statements with respect to the details of the Offering, including the proposed size, timing and the expected use of proceeds and the receipt of regulatory approval for the Offering. Forward-looking information reflects the expectations or beliefs of management of the Company based on information currently available to it. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information. These factors include, but are not limited to: the Company may not complete the Offering; the Offering may not be approved by the TSX Venture Exchange; risks associated with the business of the Company; business and economic conditions in the mineral exploration industry generally; the supply and demand for labour and other project inputs; changes in commodity prices; changes in interest and currency exchange rates; risks related to inaccurate geological and engineering assumptions; risks relating to unanticipated operational difficulties (including failure of equipment or processes to operate in accordance with the specifications or expectations, cost escalation, unavailability of materials and equipment, government action or delays in the receipt of government approvals, industrial disturbances or other job action and unanticipated events related to health, safety and environmental matters); risks related to adverse weather conditions; political risk and social unrest; changes in general economic conditions or conditions in the financial markets; and other risk factors as detailed from time to time in the Company’s continuous disclosure documents filed with the Canadian securities regulators.

The forward-looking information contained in this press release is expressly qualified in its entirety by this cautionary statement. The Company does not undertake to update any forward-looking information, except as required by applicable securities laws.

Neither the TSX Venture Exchange nor its regulation services provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.
